

WORLD DAY OF PRAYER – REPORT GUIDELINES

To simplify the enclosed World Day of Prayer report form, we offer the following guidelines:

Divisions – to be listed by name.

Number of Corps and/or other Salvation Army groups participating in World Day of Prayer – corps or other Salvation Army units that held, attended, or planned World Day of Prayer meetings.

Number of World Day of Prayer services held in SA corps buildings – services such as Bible studies, prayer meetings, or the main World Day of Prayer service held in Salvation Army corps buildings.

Participation by Salvationists – give number of Salvationists who participated in the various World Day of Prayer programs, the total number in attendance is not required.

Number of Salvationists on World Day of Prayer Local Planning Councils – as stated.

Other services held by The Salvation Army – World Day of Prayer services such as Bible studies, prayer meetings, main World Day of Prayer Service which are held in Salvation Army facilities/buildings other than at a corps, such as headquarters, schools, residences, etc.

Total offerings, to be channeled through IHQ to the WDP officers – all offerings received at the World Day of Prayer services are to be submitted to the World Day of Prayer committee offices. These offerings are distributed by the World Day of Prayer, in the form of grants, to selected projects. The Salvation Army has been the recipient of many such grants through the years. However, if there is no local or national World Day of Prayer office in your area or country, the offerings can be sent to IHQ to be forwarded to the World Day of Prayer offices.

We look forward to receiving your report and photographs, as soon as possible following the World Day of Prayer service.
