What type of rooms are available?

- Green Lake Conference Center offers the following types of housing:
 - House / cottage
 - Hotel
 - Dorms
- There are elevators in the hotels. However, there are some stairs in the houses and cottages.
- For pictures and more info see the [GLCC website](#).

Is there ADA Compliant housing?

- Yes. However, it is **limited** and on a *first come, first served basis*.
- There will be a place on the registration page for delegates to indicate a need for ADA compliant housing. Please only request this if you truly need ADA.

Do I need to bring my own bedding and towels?

- Bedding and towels are provided in all houses, cottages, hotels, and one of dorm units.
- The last space we will fill will be the youth dorms (similar to camp youth cabins). Those have bunk beds, hallway bathrooms, and no bedding or towels provided.
- All housing will be filled on a *first come, first served basis*.

Can I pick my room or where I stay?

- Unfortunately, No. All housing assignments will be made by THQ. We will take all considerations into account but cannot guarantee anything other than you will have a place to sleep, you will not be sharing a bed, and you will have a roommate.
- Corps may request their delegates stay together in a house / cottage at registration. We will best to keep everyone together.

Can I have a private room?

- With limited space, we are not able to guarantee private rooms. Most rooms have at least two beds per room so prepare to share!

Can I request a roommate?

- Yes! During the online registration process, there is an option to list who you would like to room with. Please add all names there. There is a 500-character limit. Please email us if you cannot fit everyone into the text box: **USC.THQ.WomensMinistries@USCSalvationarmy.org**.

I'm bringing my nursing baby, where do they sleep?

- All children must be **0-12 months old**. Children over 12 months will not be permitted.
- If you will be attending with more than one child, we ask that you let THQ know. The conference center does not provide any bedding, cribs, etc. for babies. You will have to bring everything necessary for you and your child.
